Annual General Meeting

28 Feb Meet the Teacher

School Bytes

At Bringelly Public School we are moving towards using School Bytes as our main source of communication. Please ensure you have downloaded the app and are able to use this platform. If you require any assistance please call the school office.

P & C Update

On the 21st February we will hold the first P&C Meeting of the year. This includes the AGM which all positions become vacant and re-elected for 2024. I encourage parents to attend to help or contribute to our wonderful school in anyway possible.

From the Principal

Welcome back to new school year!

I would like to thank all of the community for such a warm welcome to the school as the new Principal. I am so grateful to join such a wonderful community of respectful students, staff and parents. What a wonderful school Bringelly Public School is. I have had the privilege of visiting classrooms the last few weeks and I have been amazed at how quickly the students have settled into their learning.

Welcome to our 2024 Kindergarten students and families. Our Kookaburra class has started successfully with Mrs Hillhouse. Our quick learners are settling in well and are enjoying making new friends.

Our teachers have had a busy start to the new school year with some research based training in InitialLit which is an evidence-based whole-class literacy program providing all children with the essential core knowledge and strong foundations to become successful readers and writers.

On Wednesday 7th February, our students attended the annual Swimming carnival. All students had a wonderful day and it was pleasing to see so many students 'have a go' at swimming 50m. All students displayed exceptional behaviour on the day and I thank the available parents for their attendance.

I cannot wait to see what the next few weeks bring at Bringelly Public School as I get to know all the students and enjoy the amazing culture of this school.

Mrs Banfield

Belonging at Bringelly

Parent Volunteers Wanted

We are looking for parent volunteers to assist with our gardens, grounds and school environment. If you have a spare hour or more to assist with things such as weeding, whipper snipping, mowing, or garden pruning we would love to hear from you. Please call Mrs Banfield (Principal) on 4774 8271.

Seesaw

Classes will continue to use Seesaw in 2024 to share lessons and celebrate learning in the classroom. Please make sure you have downloaded the latest app and make sure to use the email you have registered with the school so we can add you to your child's account. All students must have written permission to be part of this sharing app. For students who haven't receive written permission yet the office has sent out notes (if you didn't get a note it is because you have already signed up for your child)

Nutrition Snippet

WHAT IS THE HEALTHY LUNCH BOX WEBSITE?

A one-stop-shop for everything you need to know about packing a healthy lunch box.

Here's what you'll find on the website:

- [Interactive lunch box builder](#) that helps parents and kids plan and pack a healthy lunch with foods they like.
- Lots of quick and easy [recipes](#) and [snack ideas](#).
- Informative [blogs](#) about healthy eating for the family.
- [Subscribe](#) to our e-newsletter for ideas, updates and recipes.
