Principal's Report

Dear Parents,

The Art Show and Multicultural Celebration was fantastic. Thank you to the families, students, parents, grandparents and extended families who came on the day. Our guests on the day representing the University of Western Sydney and the Department of Education and Communities were very impressed by the atmosphere and how much fun everyone was having. I know recipes were being swapped by the parents who tried the magnificent food prepared by different families and which came from over 10 countries.

On the following Friday there was a formal presentation of the class work we have completed with a multicultural aspect included in our classes. One of the findings we have discovered, was the huge diversity of our backgrounds and now after we have begun the discussions, the children are having conversations about their families more. This seems to have also caused a lot more talking about your extended families in your families too.

Presentation Night

For the past many weeks the students have been practicing dance and choir pieces. These will be on show at Presentation Night and I warmly invite all parents and extended families to join us for the night. Please have the students arrive at 6.30pm and although you can wait outside you will need to be seated by 6.50pm so the night can start on time at 7.00pm.

Year 6 Farewell

I have been pleased with the effort Year 6 have given this year in organising their part of the Year 6 Farewell. Their effort on Market Day was magnificent and they made $1000 which will go towards their Year 6 gift to the school and their special evening. With a small year 6 and large year 5 group this year the evening will be held at Hubertus Club.

Reports

All teachers are very busy writing final reports for the year. Please make an appointment if you require an interview with the class teacher. Reports will go home to parents on 14th of December.

Movie Day

The last excursion for the year is our Movie Day. The students enjoy travelling on the bus to the Dumaresq cinemas with their friends and teachers. This year they will be watching “Rise of the Guardians” which is rated PG and from the promotion on television looks like it will be a terrific family Christmas movie. We have tried very hard to keep costs to a minimum and hope many students attend this fun day on 13th of December.

Last Day

The last day of the term will be Wednesday 19th December but on Tuesday the 18th we will have a school BBQ. I thank the P&C for organising this.

Return to School

Students Years 1—6 will return for 2013 on the 30th of January.

Kindergarten will start Thursday the 31st of January 2013.

We look forward to an exciting few weeks of school with Christmas activities, class parties and lots of learning!!

News from K/1W.

K/1W have been very busy creating and writing whole class narratives. Below are 3 stories that the students presented at this weeks Assembly. They all enjoyed writing the stories, creating puppets and presenting them for the school and parents.

The Sleeping Snake.

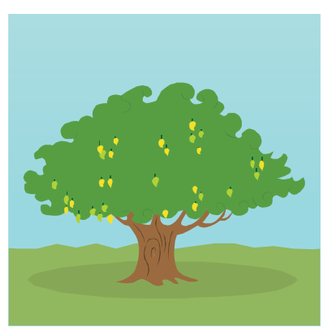
Once upon a time there was a family of rabbits. They went to eat some grass. Then it rained. The rabbits ran away. They pretended to be asleep too. Then the rabbits ran away. They were safe.

The Haunted House

Once upon a time there was a witch and black cat. They were cleaning their house and they heard loud thunder. The wicked witch was scared and she tripped over her cats tail. The cross cat bit the witches bottom! Then she fell head first into a big cake. Then they both laughed and became friends.

The Tree Caught Fire

One night there was a dangerous storm. Mother and Father Magpie were getting some worms for their babies. The Lightning hit the tree and it caught on fire. So mother and father magpie came and picked up their babies in their beaks. Then it rained and the fire went out. All the animals were saved.



What's On

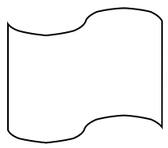
Penrith City Council

Holiday activities @ your library.
Family shows and workshops will be on throughout January.

Call 4732 8185 for more information.

Tennis Players Wanted

Would you like to join our tennis group? We meet on Tuesdays from 10am—2pm at Rossmore court. If interested please call Jean on 4774 8576.



KARI

Aboriginal Resources Inc
Vacation Care January 2013
Ph: 8782 0300 during office hours for more information.

19/12/12	Last Day of School for 2012		

Headlice advice..... To help prevent catching headlice, if possible, tie hair up at all times. Vinegar is excellent for combing through hair. It makes hair shiny and releases the glue that holds the nits. Please check your childs hair regularly.
