Dear Parents,

Presentation Night

Arrangements:

Next week we will come together as a Bringelly Public School community, for the yearly Presentation Night at John Edmondson High School at 6 pm. Can parents please have their children at the high school hall by 5.30pm ready in their costumes and in their class groups.

The Presentation Night is one of our most important nights of the year when we gather as a school community. It is very important for the children to attend as they have learnt dances to perform as a group. If they are away the group is at a disadvantage when they perform, so I urge all parents to bring their children on the night. All children will perform and afterwards the class and school annual awards will be presented.

I would ask that toddlers be sitting with families and NOT be allowed to run around the hall. Please bring a toy, book or something quiet to occupy them so they don't disturb the proceedings.

I thank you in advance for your co-operation .

Website and Facebook page.

I wish to acknowledge the work completed by Mrs Billingham and Mrs Blackmore in linking the Bringelly school Facebook page with the school website. Now all activities, notes and photos can be found on the website. Notifications and special messages will be either placed on facebook or the school app, Sircle which can be downloaded from the App store. The username is community and the password bringellyps.

We are aiming for updating the pages with notes, special announcements and other information. However we need your assistance in using the electronic communication.

Please take the time to read. We are aiming for improving communication between home and school. As the school grows it is more difficult to link with all families so we are asking for you to help in connecting with the school facebook page or school app.

Excursion Notes

Organising a class or whole school event is complex in a school with many families, notes, financial considerations and transport. The administration difficulties with late payments or non-acceptances make opportunities we try and plan for Bringelly students very difficult to organise. From now on no late payments will be accepted. No students will be allowed for safety reasons to attend an excursion without the parent's permission. If there is any difficulty with payments the office will be able to arrange deferment if contact has been made ahead of time to make another arrangement. It is better to make a tentative arrangement rather than leave it too late for your child to enjoy an excursion.

Bush Fire Danger

The following alert has been sent to the school and it is a timely reminder that this summer will be hot and unfortunately also with a high fire hazard. At the school we will practice our fire safety drill for bushfire at the beginning of the year and we have already completed our normal fire drill. We are grateful to the very close link we have with the Bringelly RFS.

A Severe Fire Danger Rating and total fire ban will be issued throughout summer for the following fire weather areas:

- Greater Hunter
- Greater Sydney Region
- Northern Slopes
- North Western

Schools within these areas are asked to stay well informed of any fire activity by monitoring local media and regularly checking for updates on the NSW RFS website or NSW RFS information line on 1800 679 737. Fires can threaten suddenly and without warning, take notice of any warnings issued seriously and be prepared to act.

In the event of fire activity, please refer to the Departments Communication protocols, available from the Department's Bushfire Planning and Response website.

Oval:

If you have driven past the school you would have seen the large mounds of dirt. This will be spread out on the oval this weekend. The oval was becoming worn in places and had bindi so repair maintenance was called for. The area where the smaller children play soccer is uneven so this will be levelled as well.

Bringelly Wetland and Woodland Environment Committee:

A small group met last week to begin planning the creation of an education area to study our unique wetland and woodland area. Pathways, outdoor learning areas, school garden areas will be created in 2016. If you are interested in joining this committee and can bring expertise or enthusiasm please see either myself or Mr McCroary.

Sharyl Scott

This is a piece of writing from Sharmaine Rudd in 3M, from when she went on the excursion to teen ranch.

Dear Mrs Murphy,

On the 28th of October 3/4P and 3M went to camp at Teen Ranch. I was so excited to do the activity. First we went to the hall to welcome us to Teen Ranch and to tell us what are we doing first. 3/4P were doing canoeing and we were doing rock climbing. We had to listen to instructions before we got to do the rock climbing. Finally we started to do rock climbing. I got hooked on and I was ready to go. I said 'climber Ready' so I started to climb and climb until I got to the top and rang the bell. I went down, down, down and bang! I hit the ground and said 'that was fun!' so I went on to the other climbing activity.

I was flying though both of the rock climbing 'phew' I was back on the ground and the time was up 'ring ring' the bell rang for lunch and we finished are rock climbing.

All of are classes were hungry we had

a chicken wrap it was tasty.

After that we did canoeing and me Breanna and Georgina had trouble with steering the boat and while we were doing that Mrs Murphys boat tipped Paige, Romel and Hayleys boat over it was kind of funny.

After that we went to go to tea time and ate.

Then we were going to do the giant swing and I was the assistant so I got to go first I went up and up to the very top. I pulled the rope and I

was flying though the air it was so, so scary and even the teachers had a go.

'ring ring' - it was dinner and we ate pasta.

Then we went into are cabins and had a shower and had free time in our cabin.

After that we went into the hall with 3/4P and played shoe toss and 3/4P won by one point. We were so close to winning but we lost any way

After that we were walking in the dark then we saw light. It was the bush camp fire and we were so excited to roast some marsh mellowes.

After that we went into our cabins to have some parties but we went to sleep anyway.

It was morning and it was a bright and sunny day we were packing up because another school was coming so we packed up and put are suitcases at the front.

'Ring Ring' the bell rang for breakfast we had a choice of cereal, toast or pancakes.

After that we did the challenge course and it was all about working together as a team.

It's the last activity for the day and no one wanted to leave. It's the pool!

"Yippee" and every one is

excited to go in

the first pool game was the relay my team won.

The last activity was limbo and I won all three rounds! Oh I forgot the pool was so, so, so, so, so, so freezing. Finally my parents came.

No! I really didn't want to home but I had to.

Dates for your Diaries

1st Dec	Presentation Night—JEHS High School
2nd Dec	Whole School Picnic—Bents Basin
9th Dec	Year 6 Farewell—Camden Lakeside.
