Principal's Report

Dear Parents/Carers,

External Validation

On the 22nd August there will be a small panel of Principals and members of the Department of Education coming to Bringelly Public School to observe our programs and procedures within the school. This external process is important for providing an assurance to the school and the system that the progress and impact being made aligns with the expectations articulated in the school quality assessment, called School Excellence Framework. External validation provides an opportunity for schools to discuss judgements about their practice and the evidence that underpins them, with a panel of peers. I have spoken to the P & C executive about this process and I am happy to speak to other parents if you have any questions.

Surveys used for collecting data about student progress, engagement and community support will be sent home in the near future. We ask for your support in collecting this important information that the school needs. This will enable us to report on the success of our many programs and the support provided for your children.

School Reports

The school reports will be sent home in the first week of next term with the following week being set aside for parent and teacher interviews.

This allows teachers to have more time to teach before assessing the students, instead of cutting off the assessments by week six of term two, in order to write reports.

Sunshades

This week there was a parent information session in the library about sun glasses for students. The P & C have decided to survey the students for sizes and colours as they were impressed with the quality of the sunglasses. Survey will be sent home soon.

Regional Cross Country

Congratulations to the three students who will compete in the Regional Cross country representing Bringelly Public School.

We wish Mario Borg year 5, Kristian Grozdanovski, year 3 and Destiny Demirjian, year 6 all the very best next Thursday. Cross Country coach, Mrs Woolgar said all three have displayed confidence and determination at their training.

New Readers

Over the past month the school has purchased new class reading sets worth over five thousand dollars, which covers kindergarten to year six levels. These have all been accessioned through the library and covered by a group of volunteers. The teachers are already using the new resources in the classroom.

Batching Plant

PGH Bricks have submitted an application to build a batching plant in the grounds of PGH Bricks. I have been on the community committee to discuss issues of traffic and dust with the company, which will affect the school. You can look up the application via Camden council at:

<http://www.camden.nsw.gov.au/assets/pdf/Council/AboutCouncil/2017/Business-Paper/BP-Agenda-23-May-2017WEB.pdf>

If you would like to discuss this, Bringelly resident Dianne Newell will be happy to hear from you. She has been trying to gain interest, community support and raise awareness to some of the concerns raised at the community meetings. Her phone numbers are 0418251220 or 47748763. I have asked the Department of Education, Asset Management group to investigate the truck movement, dust pollution and noise levels.

Gala Day

The new date for the recently postponed Gala Day will be the **29th June, 2017**. Years K -2 are going to Horsley Park Public School. If you have put a lunch order in previously, this will transfer over to the 29th June. Years 3-6 will play sport down at Bringelly Oval and our canteen will be open on this day for any students wishing to purchase lunch. Please see attached canteen list for Gala Day.

School Materials

We wish to remind students and parents that they are responsible for their own school stationary. For example: glue sticks, pencils, erasers, sharpeners, ruler and scissors. Please top up your child's pencil case so they have everything necessary for class.

Staff Car Parking

The car park on Greendale Road is for STAFF only. Please do not stop in front of the driveway or enter the carpark to drop off or pick up children. It is a safety issue for our students.

Sharyl Scott

K - 2 Assembly

SISTA SPEAK

On behalf of the Sista Speak girls, myself (Mrs Borg) and Mrs Billingham would like to thank all our families for their support in the fundraising efforts of the purchase of our Aboriginal Torres Strait Islander mat.

A big thank you to Mrs Scott for allowing the school to purchase the mat at a discounted price even though our girls fundraising goals have not yet been reached. We will be working hard in the next few terms to repay Mrs Scott and the school, so we ask for your continued support in future fundraisers ahead.

The excitement and appreciation when the very colourful rug arrived this morning has shown the school and community that the girls are very proud of their culture and promise to repay the fundraising amount left.

They respect and love our Sista Speak program.

Thank you
Mrs Borg and Mrs Billingham
