There has been an increase in students wearing winter clothes that are not uniform. All jumpers, coats etc need to be in the Bringelly PS colours.

If you need to purchase jumpers please contact or email the school office. Please see order form below.

# PLAYGROUND ACTIVITIES

Drawing in the sun

Sport equipment

At Bringelly there is always plenty to  
choose from.....

Basketball

Buddy Bench chats

Sandpit

Playground

Playground

Soccer

Cubby House

Cars

# PRINCIPAL'S ADDRESS

We are having a wonderful Term 2 at Bringelly Public School. I am delighted to see so many happy students every single day. What I am most pleased about is our students learning 'resilience'. At Bringelly PS we are teaching our students to think outside the box and solve problems with support. How can we as learners make decisions to alter the situation we are in.

According to the concepts of Choice Theory, all behavior is purposeful. Everything you do is your best attempt to get what you want, at that point in time with the information available to you. This theory can be applied to children in various ways, helping them understand their actions, take ownership of their choices, and develop self-discipline. In the second part of our year we will as a school teach students these strategies. Our staff have been busy training in this discipline so we are able to upskill our students.

When your child/children have an issue, remind them to stop, think and ask themselves:

1. What do you want to happen?
2. What are you doing to get it?
3. Is what you are currently doing successful?
4. What will you need to change to make the situation more successful?

Let's encourage our students to learn to manage problematic situations themselves with support so they can become lifelong learners in this volatile world.

Ms Taylor
