calendar events for the most updated
information.

From the Principal

Thank you for a fabulous first Term back to school for 2024. I have thoroughly enjoyed the experience and getting to know all the students. I want to thank all the students, staff and parents for developing this culture.

I would also like to thank the parent helpers in the canteen and uniform shop who work every Monday and Tuesday to keep these spaces operational. A big thank you to Mr Ayyildiz for his volunteer work around the school in the garden and playground. Without the support from our community, Bringelly PS would not be as great a place as it is for our students.

We still welcome vounteers to assist in our school playground and if you are interested please call our school office.

I have been very proud of all the students, particularly how quickly they have settled into learning this term. We are looking forward to continuing this learning journey next term and watching each individual student grow.

Have a wonderful and safe break and we look forward to seeing everyone back Term 2.

Mrs K Banfield

Belonging at Bringelly

INITIAL LIT

InitialLit is an evidence-based whole-class literacy program which will provide all children with the essential core knowledge and strong foundations to become successful readers and writers. InitialLit is a three-year program, covering the first three years of school (typically Kindergarten to Year 2).

Keeping the school safe

Our school will lock our gates at approx 9am and opened closer to 3pm. This ensures the safety of all students throughout the day. Should you need to pick up your child for a justified reason, please call the school office and enter through the gate via Greendale Rd, During the school holidays our school will be non-operational. We will have members of the community use this space for organised activities, however please note that students are not to come on site if you are not part of this event.

Attendance Matters

Did you know that school attendance is compulsory for school aged children. If your child/children do not attend school, a justified reason is required. Please help our school by responding to text messages which are sent daily.

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

Communicating with the school

If you have a concern or would like to speak about your child's learning or wellbeing, the best way to contact the school is:

- Call the school and ask to speak to your child/children's teacher OR email the school at **bringelly-p.school@det.nsw.edu.au**
- Organise a meeting time to see your child/children's teacher that suits best. This is a great time to help get a clear picture of how we best can support.
- Please ensure the school email address is used rather than personal email accounts.

School Holiday Fun
